

## **Newsletter September 2011**

### **Boat Club Fishing Competition 2011**

The Kawakawa Bay Boat Club will be holding a 2-day fishing competition on Sunday the 11th September. Great prizes and lots of fun. Come on down on the day!!

---

### **New Pontoon at the Ramp**

The new pontoon on the western side of the ramp has now replaced the old jetty. Additionally, there will be a new concrete ramp strip on the left hand side of these pontoons across to the stones of the breakwater seawall. This will much improve launching and retrieving of vessels. An additional free standing 13m pontoon has also been provided as a 'waiting area ' should the ramps be particularly busy with boats, cars and trailers. Come on down and try it out!!
